MMTC Media & Telecom Brokers Closes on Sale of WVOX-AM

WASHINGTON, DC. (October 26, 2023): The Multicultural Media, Telecom and Internet Council (MMTC) Media & Telecom Brokers closed on the sale of New Rochelle, New York radio station WVOX-AM to Jeff Chang, owner of Chang Media. The station was donated to MMTC by the family of William O'Shaughnessy, owner of Whitney Global Media.

Regarding the recent sale, Suzanne Gougherty, President of MMTC Media & Telecom Brokers and Director of MMTC Broadcasting LLC, stated, "We are incredibly proud of the donation of WVOX-AM. The family of William O'Shaughnessy has honored his legacy with the donation of WVOX-AM to MMTC. We are forever grateful and thankful to the O'Shaughnessy family for this kind and generous gift."

Jeff Chang, owner of Chang Media, stated "I'm excited to be adding WVOX-AM in New York to Chang Media's growing portfolio of Radio and Television stations. It would not be possible without the hard work and direction of MMTC and the generosity of the O'Shaughnessy family. I'm grateful to everyone for this opportunity."

Transactions such as these are made possible by donations of stations by media companies to MMTC, such as ones that have been made by Entercom, Lazer Media, Gray TV, iHeartMedia, Inc., and many other media companies. MMTC is proud of the work we are engaged in, promoting minorities and women into broadcasting ownership. We realize this success is only made possible by such generous donations. To make a donation, contact Suzanne Gougherty, President of MMTC Media & Telecom Brokers and Director of MMTC Broadcasting LLC at sgougherty@mmtconline.org.

About MMTC:

The Multicultural Media, Telecom and Internet Council (MMTC) is a non-partisan, national nonprofit organization dedicated to promoting and preserving equal opportunity and civil rights in the mass media, telecom and broadband industries, and closing the digital divide on behalf of its members and constituents, including owners of radio and television broadcast stations, programmers, prospective station owners, and others involved in the TMT industries. MMTC is generally recognized as the nation's leading advocate for minority advancement in communications. MMTC's vision is to achieve a fully connected, educated, healthy, and empowered society in which all communities thrive. Visit MMTC's website [here](#).
